I understand that I have specific rights to privacy regarding my protected health information. (Protected health information refers to information that is related to past, present, and future information about your physical and mental health.)

I understand that this information can be used to:

Obtain payment from insurance companies and other third-party payers, including secure electronic billing.

Conduct, plan, and direct my treatment among healthcare providers who may be involved directly or indirectly in my treatment.

Perform normal operations such as quality of care assessments and provider certifications.

I received a copy (electronic or paper) of the Notice of Privacy Practices policy and was given the opportunity to review this policy before signing this acknowledgment.

I understand that Intrigue Counseling / Abbee D. Smith, LCSW has the right to make changes the privacy practices. I have the right to contact Intrigue Counseling / Abbee D. Smith, LCSW at any time to obtain the most current copy of the privacy policy.

I understand that I may request certain restrictions related to how my protected health information is used or disclosed for treatment or payment. This request must be made to Intrigue Counseling / Abbee D. Smith, LCSW in writing. I further understand that Intrigue Counseling / Abbee D. Smith, LCSW is not required to comply with my request.
